# Give your child a head start

Did you know that spending only 5 minutes a day learning something new can have a significant impact on children?

*“To become really good at anything, you have to practice and repeat, practice and repeat, until the technique becomes intuitive.” Paulo Coelho*

Nimdee worksheets are designed to support learning and mastery in Maths, English, Science and Financial Literacy for children in Nursery to Junior Secondary school.

We believe learning should not be boring. Here are **10 FREE fun printable worksheets** to make learning fun and help children stay motivated during the short break by practicing towards subject mastery.
